

Queen's
Students'
Union

KEY MESSAGES

Hello and welcome to Queen's Students' Union.

Queen's Students' Union values

Democracy and accountability

Diversity and inclusivity

Quality and value

The Union is run by students for students and every penny you spend in any of our shops, bars or entertainments goes straight back into providing our advice and representation services, running campaigns and improving the building.

As well as our commercial and support sides, the Union is also a place for you to use as you see fit, whether that's joining one of our 150 clubs and societies, hanging out in our social area, 'The Space', or improving your employability with Enterprise SU. Our student officers are also here to represent you in many areas; from Education to Welfare and from Campaigning to liaising with our local community in South Belfast. The president and six Vice Presidents are on hand to offer support and advice to every Queen's student, so feel free to call in to the second floor of the Students' Union to have a chat with them.

Queen's Students' Union exists to

- promote the interests of its members by representing them to the University and beyond
- provide its members with impartial advice services
- manage and develop the provision of student focused services, offering value for money and attuned to the needs of a diverse student population

The Vision of Queen's Students' Union is to seek

- a dynamic learning environment in which students are able to develop all aspects of their lives
- a quality student experience for each student in which standards are constantly improving
- high quality, member focussed commercial services to support the student experience.

The Students' Union offers the following services:

- Students' Union Advice Centre, located on the second floor.
- Student representation
- Information on clubs and societies
- Students' Union shop
- Bank Santander
- Relish Restaurant and coffee house
- Clements Coffee house
- Medicare Chemist
- Second hand book store
- Entertainments including live gigs, club nights, comedy evenings, quiz and themed disco's.
- Development of entrepreneurial skills (Enterprise SU located on the second floor)
- Snooker room
- Part time employment in the bars, shop, entertainments, promotions and general assistants.

...a good idea...
