EXPAND ACCESS TO EDUCATION

SPOTLIGHT CLUBS AND SOCS

BATTLE OF THE BANDS

VOTE MARCH 4TH - 7TH

What is this lad on about?

Dia Daoibh,

I'm Saj, and I've been an SU Officer this year and co-lead on the campaign to get QUB to divest from the Arms industry. I want to bring my experience to the Campaigns and Engagement role, and represent Clubs/Socs and anyone up for a bit of craic

Expand Access to Education

This is the political bit, so skip if that's not you.

I want to work with the university to lobby the Department for the Economy to increase WAPP funding and the number of places available to students from deprived backgrounds. I'm the first in my family to make it to Uni, I don't intend to be the last, *if you too have managed to climb the ladder, then help make sure it's still there and stable for the next person.*

Spotlighting Clubs and Socs

Have you ever sat and wondered what exactly is going on in the SU on any given week? *There is over 260 clubs and socs in the SU, near constant events, yet no single place to get a sense of what's happening.* Clubs and socs are the heart and soul of the union, so it stands to reason that their hard work should be promoted. *I want to bring in dedicated digital displays that are solely for clubs and socs events promotion, that will be visible in the SU for all to see.* Let's grow our clubs and socs, and make sure no one misses another match, quiz or karaoke night!

BATTLE OF THE BANDS

It is what it sounds like!

It's time we properly utilised the new students' union building, we have a huge music hall, and the wee bar has been great for spotlighting local indie bands. But we could be using these venues to shine a light on student talent. *I don't feel like this needs to be over-sold too much, it's a great big tournament for musicians, it's going to be awesome!*
