

Postgraduate Education Officer Report

September

- External Media Training in the city centre. This included scenarios of when we would be caught off guard in an interview and the questions we may face when recording as live interview. It provided us with the skills and knowledge on how best to give interviews to the camera and radio. Our examples included student housing and anti-social behaviour.
- Filmed many tours of the building and meet the team interviews with the SU Marketing team for new students on our social media channels.
- Provided a catch up training session for faculty and school reps who couldn't attend the first one.
- Attended the UG open day alongside the other departments in the SU, giving tours of the building and providing guidance to our prospective students.
- Delivered many induction presentations to various schools from both UG and PG studies, advertising services in the union as well as student rep positions that are available.
- Attended the ESS welcome week with our presentation.
- Manned the freshers fair stall, pushing for course, school and faculty reps as well as council positions for new and returning students.
- Prepped the course rep training which will be delivered in October to various schools and students.
- Delivered course rep training to Queens College China.
- Attended the Senator George Mitchell dinner alongside the other officers.
